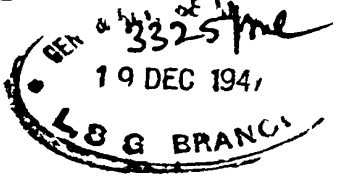
DAVANGERE,
Dated 16th December 1941



D O #c 27/4748

Dear Sir,

Subject - Nominations to the City Municipal Council,
D A V A N G E R E

The population of Davangere Town as per Census of 1941 is 31,759. The number of councillors determined for the City Council is 25 of which 20 are elected and five nominated Of the nominated councillors two are ex-officio

Elections for the constitution of the City Council are over It is now for the Government to fill up vacancies for the nominated councillors While filling up these vacancies, I feel that the following considerations might weigh

Roughly there has got to be one councillor for each - 1,500 If we exclude the castes which are numerically less - than 1,000, the following communities deserve representation on the council

1	Adikarnataka	1,824
2	Beda	1,255
3	Darzi	1,405
4	Kuruba	1,440
5	Lingayet	7,988
6	Marata	2,167
7	Vodda	1,087
8	Muslims	5,981
9	Brahmins	2,117
10	Vysya	920 (though numerically less than 1,000 deserve representation in view of the commercial and industrial advancement of the town which they are responsible for)

Of these communities Lingayets, Brahmins and Kurubas find places among the elected councillors Within the few seats to be filled up by nomination it is a hard job for any one to make proper selection I am of opinion that a community possessing a

strength of about 2,000 must not go unrepresented in the nominations at least This leads me to suggest three seats for Muslims, one for Marata and one for Adikarnataka This would be the very minimum and any thing short of it is sure to be considered unjust by the affected communities I make myself bold therefore to appeal to Government to cancel the number of ex-officio members and nominate three from Muslim community, one from Adikarnataka Community As some members of the Vysya community are responsible for the commercial and industrial advancement of the Town and have contributed large sums of money for the establishment of big charitable institutions, it may not be out of place to suggest that one from the said community may be nominated by an equitable allocation of these 5 seats

I am told that ex-officio members do not find a place in the City Council of both Bangalore and Mysore Cities The same might be adopted in Davangere also for the sake of appeasing the unrepresented communities If at all any ex officio members are to be nominated they may not be other than the Assistant Engineer, P W D , Assistant Surgeon or Sub Division Officer Their services would be very little required, as the City Council will be having its own Assistant Engineer, II grade Health Officer and Commissioner of the grade of a Senior Assistant Commissioner

With best regards,

Yours sincerely,

K Veeresh Basappa

2 The strength of this City Municipal Council is fixed as per letter No L 10327 dated 11th October 1947 of the Revenue Secretary to Government at twentyfive consisting of twenty -- elected three nominated and two Ex-officio members The - President of the Municipality has reported in his D O No H C 27/47-43 dated 16th December 1947 stating that it is learnt that there are no ex-officio members in the City Municipal - Councils of Bangalore and Mysore If this is a fact there is no necessity to appoint two ex-officio members to Davangere City Municipality in view of the fact that the post of a Municipal Commissioner of the status of a Senior Assistant Commissioner is recommended to be sanctioned The post of ~~xxx~~ a Health Officer has already been sanctioned and the Municipal Council has already requested to move the Government to appoint an Assistant Engineer in place of the present Municipal Engineer Hence there appears to be no need to appoint any ex-officio

ex-officio members

4 Out of the above communities, constituting the population of Davangere the following communities whose population is bove 1 000 may be given representation by nomination I recommend that the following persons may be nominated to the City Municipal Council to be constituted from 1st January 1948

1 Siddappa Adikaranataka (Population 1,854)

5 In my opinion the above five persons are the best that could be thought of for nomination If the Government desire to nominate

nominate two Mahomedans in view of the fact that their population is 5,931, any one of the following two persons may be nominated omitting No (2) i e , the Bohra community

Dear Sir

Only a few days ago I had Seen you at Bangalore in connection with certain representations I made to you about the newly constituted City Municipal Council of Davangere. One of the points urged by me was that all the 5 Seats now to be filled up may be filled up by nominations from members belonging to important Minority Communities the two ex-officio members (Asst Engineer and the Assistant Surgeon) need not be nominated, because in view of our Municipality having been raised to the status of a City Municipality We will be having our own Asst Engineer and Health Officer So You may be pleased to pass orders to the effect that all the 5 Seats may be filled up by nominated members I believe

even in the case of Bangalore and Mysore it is the same practice

Now regarding nominations I like to bring it to your kind notice that this time several important minor communities go unrepresented So bearing this in mind I like to suggest the names of the gentlemen who may deserve to be nominated from their respective Communities I had a great mind to see you personally in this connection but my indifferent health renders me unable to undertake a journey to Bangalore Since I am also a member of the new Council and probably with your blessings, I hope to become the president also I now suggest some names of influential and respectable persons from the several Communities

Which are unrepresented are

1) Adikarnatakara Siddappa
Adikarnataka by caste and the leader of the depressed classes

A majority of the members including the Sweepers and Scavengers are Harijans and it is but proper that a member from this Community is nominated

I hear that another man Chowdappa who is a mochi (Cobbler) has also given a petition for claiming to be a Harijan The fact is, he is not a Harijan at all but belongs to the Cobblers class who number only about 200 where as the population of Adikarnatakas is more than 4000 So it will be satisfying the Harijans, only if Siddappa, a member of their Community is nominated

2) Dharmaratnakara R Madduraiyappa
a Very influential merchant and a donor But for his munificent donation we would not have had the College

3) Jagirdar Khasim Sab
Muslim leader, a member of the District Transport Board.

4) Gaikwad Narayana Rao (Maratta)
Leader of the Maratta Community

5) K Nagappa
Naik caste

I request you to be pleased to nominate the 5 persons named above. All aspects have been considered and I may assure you Sir that it will be the best selection satisfying all the Communities.

With respects

Yours Sincerely

Dear Shri P Subbramma Setty

I believe you remember, that myself and Shri G Veerappa Advocate Davangere had seen you at Bangalore a few days ago, in connection with the nominations to the City Municipal Council Davangere We had made some suggestions regarding the appointment of a Commissioner, Health Officer and Assistant Surgeon to the Municipality I am sure you have passed necessary orders on these matters

Regarding the nominations to the five places to be filled up, I have some suggestions to place before you In our personal talk I had brought it to your notice that several important minor Communities are unrepresented in the Council as present Constituted I desire to suggest some names of persons from among the Communities that deserve to be Considered

1) Siddappa Adi Karnataka

Adi Karnataka by caste there are nearly 3000 adi karnatakas and Adi Dravidas a Devanaga

7/ He is a leader of the Community and I learn that they have submitted a petition to you in the respect. I am also told that another Cobbler by name Chowdappa has given a petition But regarding this man I beg to inform you that there are only 10 15 houses of this Caste and other Arkavalikas and Adidravidas do not follow the Cobbler Community So it will be Satisfying the larger interest if Siddappa is nominated

2) Narayana Rao Gaikwad (Maratta)

Marattas form a powerful Community in Davangere and this gentleman is the leader of the Community He was also in the last Municipal Council and is highly deserving He is known for his spirit of Service and Sacrifice He may be nominated

3) Dharmarathnakara R Maddurappa (Vysya)

But for the princely donation of this gentleman Davangere would not have been given the College He is an influential merchant and has given several donations further no Vysya is elected, this important Community Shall be represented

4) Izardar Khasim Sab

He is a dealer in motor accessaries and a member of the Transport Board etc He is the leader of the Muslim Community and it will be Satisfying them if this gentleman is nominated

5) K. Nagappa (Naik or Thalavar)

He is an important member of the Naik Community and deserves to be nominated

Naiks form an important minor Community

(3)

Community in Davangere Town and the Community deserves to be accommodated

This is a matter in which, a personal representation should have been made, but due to some pressure of work I am unable to go over to you So I request you to kindly take this as my well considered opinion and pass orders accordingly Thanking gentlemen

With regards

Yours Sincerely

Our community consists of nearly 2000 in number and most of our people are engaged in making Shoes, Chappals and such other leather goods Ours is a very backward class backward culturally, economically and educationally

Though we have become citizens of Davangere having settled here for a very long time, our community remains without any progress The reason is no encouragement is given to us

We have been every time praying the Government that one merber of our community may be nominated to the Town Municipal Council But, unfortunately our request is not satisfied

This Time, Davangere has been conferred with a City Municipality and there is greater scope for our community being represented

One Shri R T Chowdappa has been a ~~xxxxxx~~ leader of our community, and doing good work for the upliftment of our community and we all desire that he may be nominated to the City Council

We, therefore, request you Sir, to kindly nominate the said R T Chowdappa to the City Council

We are all engaged in menial work It need not be said here that ours is a very backward community, backward educationally and socially

2) Davangere Town Municipal Council has been raised to the state of a Municipality It is a matter to be regretted that our community has ever had a chance of being nominated in the Municipal Council We have been agitating this matter since a very long period But our request is not conceded

3) The Municipal sweepers and scavengers are all members of our community and they have their own grievances It is better that in the fitness of things that a representative of our community is there in the Municipal council

4) There is one Siddappa who is the leader of our community and who has been doing his utmost for the upliftment of our community It is our humble desire that the said Siddappa is nominated to the City Council

Regarding the nominations to our City Municipal Council, I beg to bring one important matter to your kind perusal

I believe both myself and Shri S Veerabasappa, President, District Congress Committee had written to you, with a request to nominate one Siddappa, the leader of the Adikarnatakas of this place You were pleased to promise us that the same would be done Even yesterday and the day before when I had the privilege of seeing you in this connection, you were pleased to tell me that my request is conceded and that orders are already passed But when I arrived here this morning I was shocked to hear that there has been some mistake about this, since in the communication addressed to the Municipal Office, the name appears to be Siddappa instead of Siddappa since there is no other man by this name among Adikarnatakas exist and further since your order also is specifically in favour of Siddappa, I only think that there must have been some mistake in typing On account of this there has been some confusion here I brought this to the notice of the Incharge Deputy Commissioner also who is the Incharge President now I only request you to verify this with reference to the letters addressed by me and also Shri S Veerabasappa I feel it is

(8/1/48)

necessary

necessary to issue further instructions to the Deputy Commissioner and the Municipal Office after rectifying the name from Siddappa to Siddappa

I hope that you will do the needful

Thanking you,

Yours sincerely,

G Veerappa
